

DUALIE® 3AA ATEX

ZONE 0, MULTI-FUNCTION FLASHLIGHT

Dual beams for forward and downward facing light

Available Colors:

One light, two beams: choose one spot beam or one flood light or both. The 3AA Dualie provides two types of illumination for multi-directional lighting and special uses. Intuitive activation allows you to use either beam or both at the same time. This intrinsically safe flashlight allows you to see your entire work area and helps you avoid slips, trips, and falls.

KEY FEATURES

- Zone 0 rated
- Features two beams that intersect for optimum path illumination with no blind spots
- Dual head switches for easy beam selection and one-handed operation
